

Youth Scholarship Application

It is important to the Andrew Jackson Council that all youth, regardless of socio-economic conditions, have an opportunity to participate in all that Scouting has to offer. The Unit Committee has the responsibility to provide opportunities for all Scouts to raise the necessary funds to participate in Scouting’s many programs.

When family finances and unit money-earning opportunities cannot provide sufficient funds to cover a Scout’s fees, the Andrew Jackson Council has developed a fund that is available to help deserving Scouts. This money is raised through donations from individuals, civic clubs, small business, corporations, foundations, and grants.

The process is simple:

- 1. Parent / Guardian fill out the Youth Scholarship Fund Application and collect the appropriate signatures at the Pack, Troop, or Crew level. (2 Signatures are required)
2. Submit the completed Application (PAGES 1, 2, and 3) to the Andrew Jackson Council for review by the assigned committee.
3. The unit leader will receive notification of the committee’s decision.

Notes:

- 1. Only one Scout should be listed on each form.
2. If applicable only “Early Period Registration” fees will be covered by the scholarship if awarded.
3. All information must be provided. Incomplete applications will be returned.
4. All approved scholarships will be in effect from August 1st – July 31st. It is only necessary to apply 1 time in the above timeframe.
