

Hood Scout Reservation

Winter Camp @ HSR- Merit Badge Schedule

In the next few pages you find the merit badge listings for Winter Camp @ HSR. Due to the COVID-19 Pandemic, the Andrew Jackson Council has set-up the following guidelines for the health and safety of our Scouts, leaders, and volunteers that attend winter camp.

Merit badge sessions and other programs will be limited to twenty Scouts. Scouts must wear a mask while in the program areas and around camp. If a merit badge or program is full, we are willing to open an additional session, but will need help in recruiting a additional merit badge counselor.

Your unit will also have free time available to do other activities and games like gaga ball, basketball, etc.

If you do not see a merit badge that you would like offered and are willing to present a merit badge, please contact our merit badge coordinator at meritbadges@bsa-jackson.org.

We are looking forward to a great camp and working through this process to deliver a fun and safe Scouting experience.

*Please note that merit badges may change due to the availability of an instructor.

Day**Saturday, November 21**
